

Exploring the Intersection of Science, Spirituality and Co-Creation

A Three-Part Series with Deb Kotz

Tuesdays in September at the Metamorphosis Center in Savage, MN

Tax Deductible donation of **\$30** for one class or **\$75 for all three**

Quantum Concepts - Tuesday, September 10 6:30-8:30pm

We will discuss Schrödinger's Cat and other thought experiments that help us understand our role in co-creating our experiences. Includes a musical journey to deepen your experience.

Multidimensionality - Tuesday, September 17 6:30-8:30pm

We explore Barbara Hand Clow and Judith Corvin-Blackburn's work on a 9-Dimensional model of reality. Includes a guided journey to deepen your experience.

Parallel Realities - Tuesday, September 10 6:30-8:30pm

We take a look at the apparent gulf between those with diverging worldviews and explore what may be behind this phenomenon. Includes a guided journey to explore various realities and timelines.
